Flighing High!

My girlfriend Judith and I are swingers. We love threesomes and I have fucked our friend, Linda, many times. She is a sexual powerhouse with beautiful breasts and a smooth, firm bum of near perfection. One afternoon, I had just taken a nap when I awoke to find Judith and Linda had tied me to the bed. There was little I could do but go along with whatever they wanted. Linda slowly stripped down to her thong, suspender belt and stockings, while Judith removed her kimono and was completely nude. They put a blindfold over my eyes and I felt a light sensation on my cock. Linda was using her tongue and she had me rock hard in seconds as she swirled it around the head of my penis. I couldn't get over how great her mouth felt on my cock in my helpless state and soon she had the whole of my prick in her throat. I was just about to cum when Linda suddenly stopped. "Not until you please both of us," she said. Suddenly Linda was on my face demanding I licked her pussy. She started to grind her cunt into my face, so I had no choice but to lick her lips and swollen clit. I pushed my tongue into her hole and suddenly I felt Judith climbing up onto the bed and sliding my cock up into her cunt. Linda was really getting off on my mouth work and she started fucking my face as Judith fucked my cock. Suddenly Judith produced an oil-coated vibrator and started feeding it into Linda's arse. Linda immediately started bucking in orgasm and

Judith allowed her to moved down onto my prick so that she was getting fucked in both holes. She hammered my cock like a woman who couldn't get enough and soon was crying out in climax. Judith then turned on the vibrator and Linda went mad. The buzzing was tingling the base of my cock and the moment I cried out that I was going to cum, Linda jumped off my cock and pulled it into her mouth. I started shooting huge jets of spunk into Linda's eager mouth as she sucked me to completion and swallowed every last drop. I barely had a chance to get my breath back when Judith laid her cunt on my face and told me to eat. I polished off every drop of juice as Linda coaxed my erection back, then it was Judith's turn to fuck my big juicy cock. I felt the buzzing vibrator slide into Judith's arse as she rode my cock and it wasn't long before I was blasted hot sperm inside her warmth too. Needless to say, the girls didn't untie me for another hour and a half, in which time they fucked and cavorted on top of me until they were totally spent. Now I'm just waiting for the next time Linda falls asleep around our place, then I'll go on my own back on her.

different guys and we decided on one called Kev. We arranged for him to come over one weekend: I made sure I was clean-shaven and pam-pered myself getting ready.

I decided to wear my black lace sexy thong and black lace top to match. I was getting horny and Steve was getting really excited but nervous too. At seven Kev arrived. He looked really nervous which I had to laugh about. I was the one who was gonna get shagged by this guy who I hardly knew! After a few minutes I headed for the stairs. "Are you both coming or shall I sort myself out?" I said.

The guys followed me upstairs. Kev looked at Steve and Steve gave him the nod (as if to say "Go for it mate"). Kev ran his fingers slowly down my stockings legs. Steve's face showed me he was enjoy-ing every minute of it.

Kev started kissing my erect nipples. I was getting a sensation of burning desire in my pussy. His fingers found my wetness and he thrust two fingers into my burning cunt.

I looked at Steve and saw he had a pleased look on his face, Kev's tongue found my swollen clit, making my body quiver with pleasure. His fingers worked in and out of my wet pussy while he sucked on my clit.

I was getting wetter and wetter, my orgasm building fiercely inside. He rolled me over on my stomach and started licking my arsehole. Oh boy, this sent me over the edge and I came, clamping my pussy muscles tight around his fingers, covering his hand in my love juices. Steve was taking pictures of all the horny action. I got up off my stomach and told Kev to lie on the bed on his back. I started kissing and nibbling his neck, slowly working my wicked way

LOTTIE ROSE

Off the top of our heads we don't think we could tell you one interesting fact about Worcestershire, but it's clearly gotta be, ahem, that the curvy British babe Lottie hails from there. Umm, there's plenty of sauce, but that's it, I'm afraid! "Yes, there certainly is plenty of sauce!" grins Lottie herself, peeling her panties to one side and giving us a little wink! Strewth, if only they could bottle that, I reckon the country would have a new export on its hands that would blow the vinegary brown stuff clean out of the water! "Ha – you haven't seen anything yet!" she adds, before proving the point quite magnificently!

LITTLE

We all love Game Of Thrones here at Escort Magazine so Pixie Little gets us all hot under the collar because according to the staff she looks a little bit like Ayra Stark! "Really? I don't look that much like her and I'm pretty sure that she doesn't prance around Westeros in a fluffy pink dressing gown either!" Pixie explains to us! "Does she also walk around with a little dildo as a weapon too, I think not, I'm pretty sure she has a little sword!"

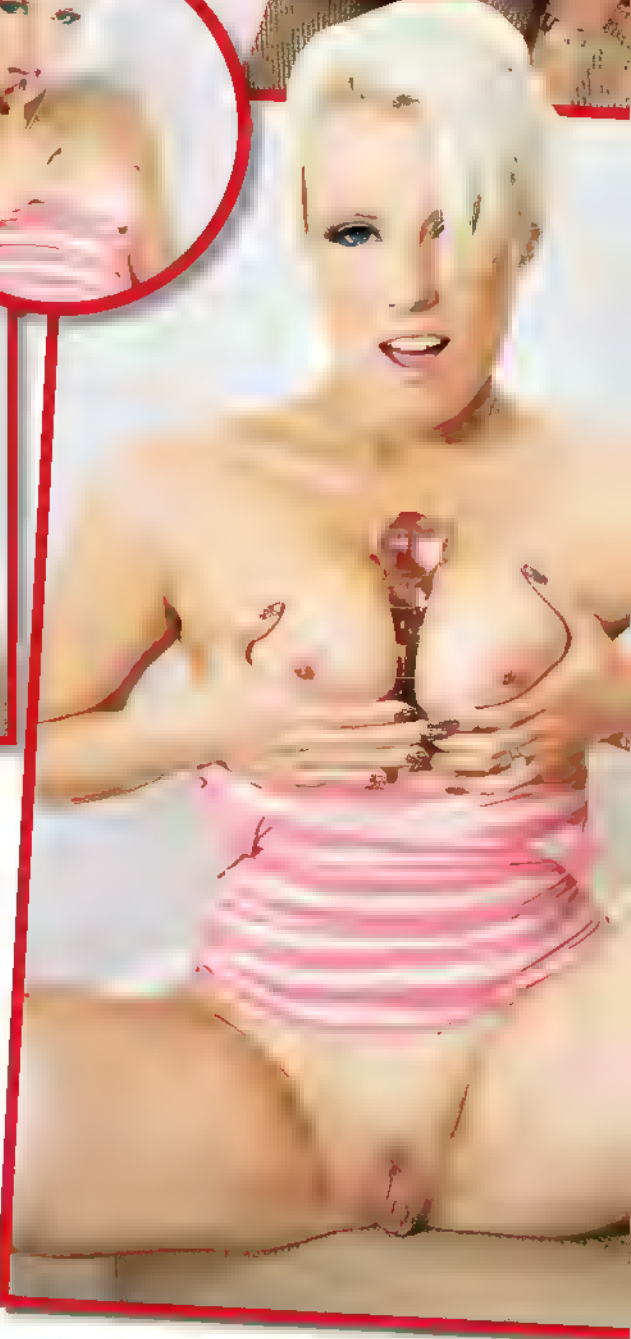

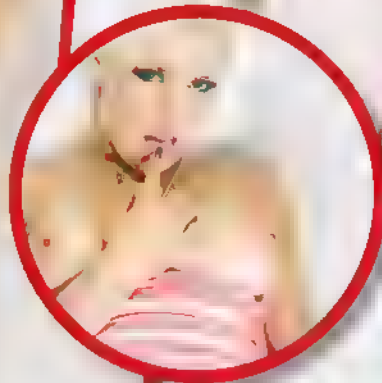

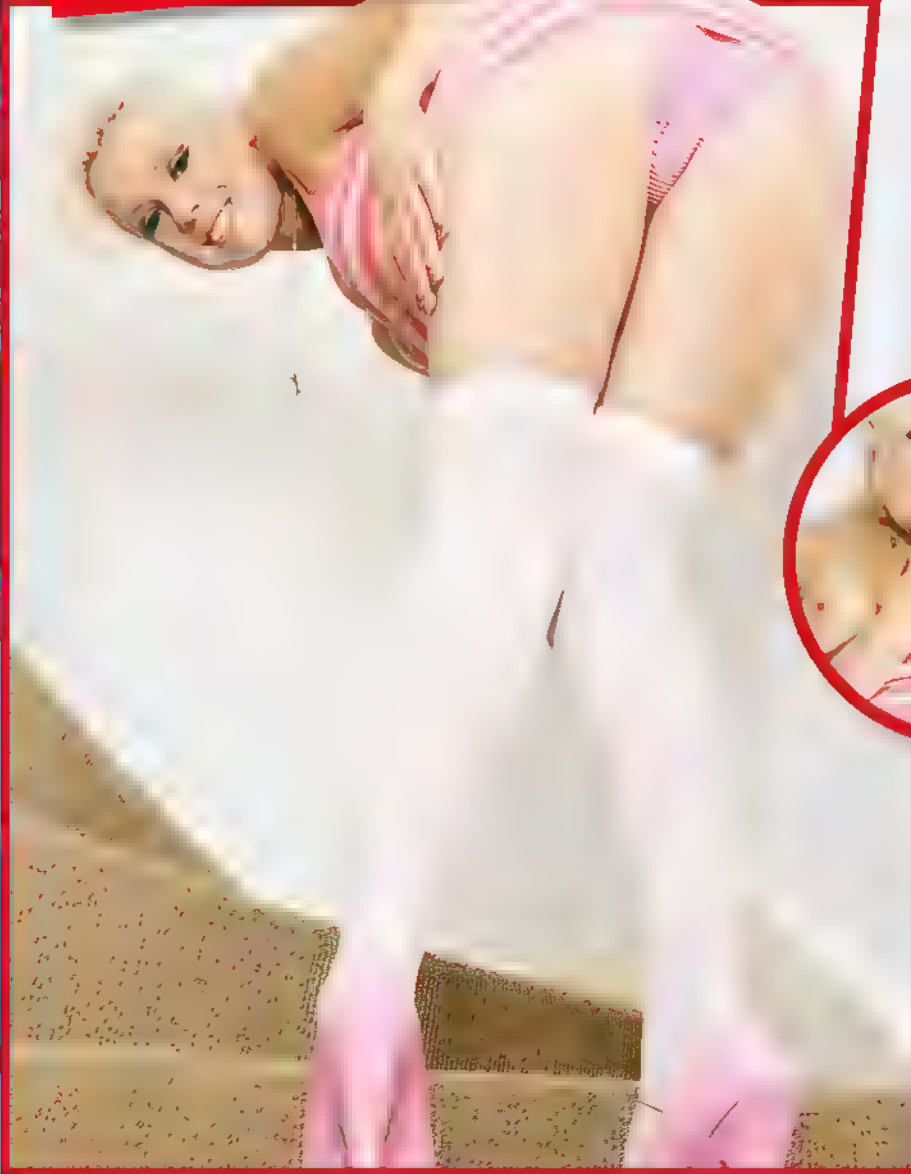

REAL WIFE SEX

ALFIE'S SECRET STASH OF NAUGHTY DVDS!

Alfie and I have been happily married for three years now, and I didn't think we had any secrets from each other until a few weeks ago, when I found his hidden stash of DVDs.

I've always been quite shy and embarrassed about pornography, and have only seen a handful in my life, and if the DVDs hadn't had R18 stickers on them, I'd have assumed they were illegal. An ex boyfriend had a soft-core porno once, and it was pathetically coy, even to my naïve eyes – there was no full-frontal nudity and the simulated sex scenes were laughable; all you got to see were tits and bums! However, the covers of Alfie's little collection were far from coy – good-looking men with huge erections

stuffed into girl's mouths, fannies and arseholes. I was shocked, but couldn't help being a bit curious. The first disc that I picked up had a photo of a beautiful blonde girl on it, and I just couldn't picture her doing anything sexual, let alone being dirty. I hesitated for a moment, but finally curiosity got the better of me and decided it wouldn't hurt to take a peek at it.

Flicking through the scene selection menu on the player downstairs, I noticed that it seemed to be an all-lesbian show. Each selection had a little loop of the action

displayed.

One of them, starring the DVD cover girl and an attractive brunette, caught my eye so I settled on it and hit play.

On the screen, the sexy blonde was sitting on a bar-top – the surface was glass and chrome – and behind the bar was a pink neon sign that said something in German. She looked into the camera and licked her finger, before laying back on the bar and rubbing her pussy. The camera zoomed in on this – her labia lips were all wet and crinkled, glistening as her finger worked itself between them. I could feel my own lips beginning to get wet, too, as her nimble digits concentrated on her clit. Suddenly a tongue appeared in the shot, snaking straight up her slit. The camera panned out to show that the brunette had joined her on the counter top. I've never seen anyone performing cunnilingus before, but this girl was so accomplished and had such an agile tongue, that I couldn't tear myself away. I felt a bit guilty for it, but found myself

wishing that Alfie could do as good as a job as her when he went down on me. But I also wondered what another woman's pussy would taste and smell like. Both girls must have had boob jobs, because as they lay down their tits stayed pert and firm, and didn't flatten or slide to the side like most boobs did. I wondered what they must feel like, as one of the girls started to squeeze the other's rounded orbs, sucking her nipples which elongated dramatically. I was breathing heavily as the girls took it in turns to play with each other's pussies, and as the action heated up on screen, my hand slipped up under my skirt and, pulling my gusset to one side, I began to synchronise my caresses with those of the porn stars.

Those gentle strokes grew more vigorous as the girls wanked and licked each other furiously. And when they got a long double-ended dildo out and inserted either end into their glistening snatches, I wished I was part of the action too. They lay on their backs, grinding their pussies together and screaming ecstatically as their plastic partner pleased them both simultaneously.

By now, I was lying on the floor with my skirt up and my knickers pulled down round my ankles. With three fingers inside my fanny and the index finger of the other hand flicking my clit, I knew

it wouldn't take me long to reach that blissful place. Usually when I come I close my eyes, but this time I made an effort to keep them open and, as my body went into orgasmic contractions, I watched the two women on-screen getting their own licks, groaning loudly and thrashing around.

I lay there panting heavily for quite a few minutes afterwards, but eventually got up and put the DVD back where I'd found it. I was still aroused, though, and couldn't stop thinking about those girls licking each other out. I wished I knew someone I could try it with, but I don't think any of my friends are that way inclined – and I don't fancy trying it on to find out!

A couple of hours later, I still hadn't managed to get my mind off sex, despite Alfie being due home, and getting the housework done. My knickers were sopping wet and my still-swollen clit throbbed, making

me yearn for some satisfaction. As soon as Alfie stepped through the front door, I was all over him.

After snogging the face off him, he didn't seem to mind when I pushed him to his knees and pulled his head up under my skirt. He immediately got the hint, and his tongue was soon working away. I closed my eyes and my mind wandered away until I found myself fantasising that it was the blonde girl from the porno eating me out.

I came pretty quickly, then rolled him onto his back on the floor, pulling his trousers and pants down in the process. I rode him hard, grinding my pubic bone against his. His cock filled me, but in my mind's eye he was the blonde girl who I was screwing, with the double-ended dildo.

He didn't last long at that speed, exploding inside me before going limp. I moved up his face and let him bring me off with his tongue again, all the while replaying that DVD episode in my head. Alfie still doesn't know that I found his secret stash. Neither does he know that I've taken to watching all the lesbian porn I can find and using it to build vivid fantasies with.

He seems happy that our sex life is going from strength to strength, but it's probably a good job he doesn't know what I'm fantasising about as we screw.

down his hairy chest to his bulbous cock I teased his swollen balls with my tongue. Then I sucked his balls into my mouth. I worked my tongue up his rock hard cock and licked the top, twirling my tongue around the quivering tip.

His cock started twitching in my mouth, so I sucked harder.

He suddenly grabbed my head, holding me tight while he shot his load right into my throat.

I swallowed and sucked him until he had no more. He was smiling as I looked up at him. By now my cunt was dripping and in need of a good fucking.

Steve hadn't touched me – he was enjoying seeing me enjoying myself.

Suddenly Kev seemed to have recovered. He pushed me onto my back, pushed

my legs up and hooked my feet onto the headboard above my head.

He slipped a finger into my sopping wet cunt and

smiled, he withdrew

his finger, he rammed his again rock solid cock into my pussy filling me right up, he withdrew and then rammed himself into me again.

I thought I was going to explode, but he seemed to

sense this and slowed down as to make sure I didn't come too soon.

My body tensed, my muscles clamped onto Kev's cock, the heat rising in my pussy. My or-gasm was building fiercely as I gripped the headboard and ground myself onto his lovely hard cock. He sensed my need for release and slammed into me harder. I gripped my pussy muscles tighter around his cock as I came hard.

Now it was Steve's turn. He loves me to be on all fours while taking him in my mouth as he says he would love to see me getting a good hard fucking while I sucked on his cock. Well, Steve got his wish. Kev came up behind and slammed his cock deep into my wet cunt. I orgasmed within minutes with a cock in my mouth and getting screwed doggy style. I was having the most amazing time with two horny guys fucking me.

I love anal sex, which I do with Steve often using my trusty vibrator in my cunt while Steve pumps my ass hard, which has given me so many mind-blowing orgasms and I wondered if I would get

the same excitement ripping through my body with two real hard cocks. Steve was eager to see me get spit-roasted too, so I asked Kev to lie down on the bed.

I climbed onto Kev's juicy cock and stuck my ass up for Steve

It was the most amazing feeling as Steve slid his cock up my ass

They both rammed me hard and suddenly my orgasm ripped through my shaking body.

I felt them both shoot their wonderful hot juices inside my wet pussy and my arse.

Steve pulled out and I climbed off Kev. I took Kev's wilting cock in my mouth and sucked off my own juices.

He grew within my mouth which made me smile so he grabbed my head and shoved my mouth onto his cock.

Steve came up behind and

rammed his again-hard cock into my sopping wet pussy taking me completely by surprise, sending waves of pleasure running through my body

I came straight away, all the while sucking on Kev's juicy cock until he shot his load once more right down my throat.

After a little rest to regain our strength, and then letting Kev go home (he had work the next day) Steve and I had the most amazing sex and fantastic orgasms, so when we finally fell asleep we were both fully spent.

We are now hoping to fulfil many more of our fantasies. Next I want a bi-female who I can tease and please.

So if you can help us out with this next fantasy or if you think any of you could handle us then let us know!

Forbidden Fruit!

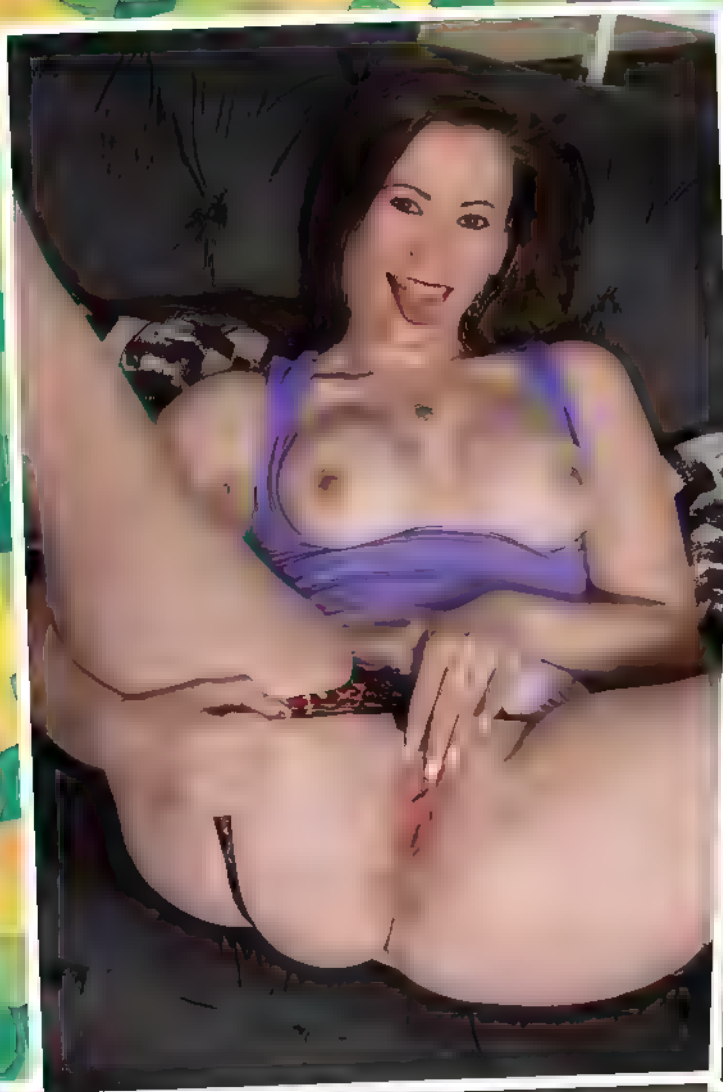

I have read Escort for years but never thought I would have a story to send in. Now I have and it's all thanks to Jade, who is now my wife. About a year ago I got it out of her that it was her biggest fantasy to have a massive cock sliding up her fanny. "But that would be unfaithful," she said, very seriously. "It's hardly infidelity if I'm in the same room," I replied. "Look, if I arranged it, you

Surely 'Lasey Taste' isn't your real name! "How did you know?" Lasey asked with a glimmer in her eye! "An old boyfriend gave me the nickname. He never told me why. I can only think that he appreciated me sucking and tasting his cock, or he liked the taste of my pussy (because he spent a good amount of time down there). Either way, the name has kind of stuck with me, and I quite like it. On the subject of my tasty pussy I've been single for a while so I wouldn't mind a bit of tongue licking, finger fucking and cock stuffing action going on down there. Chloe & Brook

Back in the good old days at our vast studio we were lucky enough to have Chloe Toy and Brook Logan lezzing it around in the corridors and in the communal toilets! "Sorry, is that not what you expected us to be doing?" Brook asks! Of course that's what we wanted, but you did get on top of each other rather quickly and start using those fingers of yours in all sorts of places! "Well, Brook was wearing crotchless knickers and her pussy was starting to drip so what do you expect? When I get the scent of pussy I'm all in!" Chloe gushed!

STACEY K

We're pretty crap over here at Paul Raymond when it comes to dressing the girls up, so we don't really know what Stacey K is trying to be, is she an electrician or a plumber? "To be honest, I've got no idea either! I was given this blue all-in-one blue outfit and a spanner!" Stacey tells us. "Oh, and after I pretended to fiddle around with the thing on the wall I was handed a sachet of lube and a pink cock-shaped dildo. Six inches is the perfect size for me, it fits nice and snug and hits all the bits and bobs inside my cunt! Big ding dongs are so over-rated!"

Who says that women belong in the kitchen?

Well, if they all took off their clothes off and bent over the kitchen worktop that's exactly where we want them to be, sorry! "No need to apologise, the kitchen has become the hub for all things naughty in my household! When you've got kids it's difficult to find time for yourself. So, once they've gone to bed and I'm cooking for the hubby a quicky on the kitchen counter is both efficient and fun!"

KACIE & ROXEE

Who hasn't played 'Doctors and Nurses' at some point in their lives? We all have, right? But Kacie and Roxee have taken it to the next level! "Poor Kacie had a bit of a temperature!" Roxee told us. "I tried the thermometer but I couldn't get an accurate reading so I licked my middle finger and stuck it inside her pussy. After wiggling it around a bit inside her I got an accurate reading and gave her a free bill of health! Then we fucked each other!"

A woman with blonde hair is sitting on a wooden deck. She is wearing a blue sleeveless crop top and red plaid shorts. She is smiling at the camera. The background shows some greenery and a wooden fence.

When it rains, it pours. And when the sun is out panties should drop! That's the new Escort moto, and it's one that Samantha was more than happy to follow! "It was so exciting to get naked in broad daylight. I don't have my own garden, so I risked using the communal grounds where I live. I've been fucked over the table at nighttime, but I've never done anything as daring as this for everyone to see. What can I do next to top this?"

kissed, licked and nibbled her all over, till she was electric with anticipation. Jerry lifted her legs up. "Can I touch it?" he said. "YES, please touch it," she moaned. His fingers teased the length of her sopping wet cunt as she tried to buck against him. Then he suddenly plunged his fingers deep into her. This was enough to make her cum noisily and she collapsed on her back. After she had recovered, Jade pulled out Jerry's cock, marvelling at its size. She began to wank him hard, pulling his foreskin back to expose his helmet. I began to wank myself as she ran her tongue down the length of his cock and sucked one of his balls.

Then she took his whole cock in her throat until Jerry couldn't hold back. He grunted and shot into her mouth. Jerry pulled out and Jade wanked him frantically over her face. Jet after jet of hot milky cum spurted over her

face, in her hair and down her neck between her tits. Then she spent the next 10 minutes licking his cock clean and hard again. "Right Jerry," she said. "I want you to fuck me as rough and as hard as you like, right now!" He didn't need a second invitation and flipped her onto her back with her legs spread. With one move, he drove his massive dick into her tight cunt. He fucked her hard for ten minutes straight, her nails in his back. Then he ordered her to get on her hands and knees. He grabbed her hips and drilled his fat cock into her arsehole. This was all too much for me and I positioned myself on my knees in front of her. She hungrily took my cock in her hot mouth. Jerry's pace was frantic. "Can I cum inside you?" he gasped. "Yes, fill me up!" she cried. That was enough to send me over the edge and I began spraying cum into her mouth. Now Jade began cumming and Jerry groaned, filling her arse with cum as I fucked her

could stop things whenever you wanted and no-one would get upset." "Well, if you put it like that..." she said. Bingo! Soon I was searching swinging sites on the internet and soon found Jerry. He was 35 with a big cock. He also seemed a nice guy when I met him, prepared to go at Jade's pace. On the night, she was nervous, but agreed and was changing when the bell rang. Jerry came in and I made him a drink. Then Jade made her entrance. She was in a PVC skirt and

fishnets. She sat next to Jerry and I could tell instantly she liked him. He began stroking her face and hair while talking to her. His hand disappeared down her front, and I could feel the hard on in my pants grow as I watched from the settee opposite. As I unbuttoned my trousers, Jerry was taking off Jade's top and moving his hands over her pert tits. Next he hoisted up her skirt, exposing her juice-stained knickers. Then she lay down on her back in front of the fire and threw her hands behind her head. Then Jerry and I
